Peter Krenkel
President, NGX

Peter Krenkel is President of NGX, a wholly owned subsidiary of TMX Group, and leading North American energy exchange. NGX is based in Calgary and provides electronic trading and clearing of natural gas, crude oil and electricity contracts. He leads NGX's continued expansion as one of the most liquid, secure and efficient environments available for energy trading.

Mr. Krenkel has been the President of NGX since its inception in 1994. This includes an eight month period in 2001 and 2002 when he was also the Head of the UK Power Exchange in London, a startup electricity exchange owned by OM Gruppen AB of Stockholm, Sweden. In 1998 through 2000, Mr. Krenkel was concurrently the acting President of NRG Information Systems, which provided online nominations and information services for the major Canadian gas pipelines.

Mr. Krenkel has over 35 years of energy industry experience. Prior to joining NGX, he was President of Canadian Hydrocarbons Marketing Inc., a natural gas marketing company located in Calgary, Alberta. Before that Mr. Krenkel was the Vice-President of Operations at ICG Resources Ltd. He started his career with Amoco Canada Petroleum.

Mr. Krenkel holds a bachelor of science degree in chemical engineering from the University of Alberta.
