Robert M. Fotheringham

*Senior Vice President, Equities Trading
TMX Group*

Robert Fotheringham currently serves as the Senior Vice President, Equities Trading, with TMX Group. Mr. Fotheringham's responsibilities include Trading Product Development and Management, Canadian and International Sales, Market Operations, Vendor Services and Market Quality for Toronto Stock Exchange and TSX Venture Exchange.

Mr. Fotheringham was promoted to his current role in 2008 following two years serving as Vice President, Trading. He originally joined TMX Group in 2005 as Vice President, Structured and Derivative Products, responsible for the design, development and execution of the organization's full derivative market strategy.

Prior to joining TMX Group, Mr. Fotheringham served as the Vice President, Derivative and Quantitative Investments, with the Ontario Municipal Employees Retirement System (OMERS). The notional value of the derivative portfolio under his management exceeded \$6.0 billion and cash quantitative based portfolio assets exceeded \$3.0 billion. Mr. Fotheringham was also a senior member of OMERS' Investment Management Committee and Global Tactical Asset Allocation Committee, where he assisted in the development of the Fund's asset allocation strategies and risk management initiatives.

Prior to joining OMERS, Mr. Fotheringham served as the Director – Senior Portfolio Manager for the Regional Municipality of Hamilton-Wentworth and was a senior member of the Municipality's Investment Strategy Committee.

In addition to his current responsibilities as part of TMX Group's senior management team, Mr. Fotheringham sits as a member of the Board of Directors for The Canadian Depository for Securities (CDS) Group of Companies and serves on the CDS Audit/Risk Committee. Mr. Fotheringham was recently elected to the Certified General Accountants of Ontario's Board of Governors where he also serves on the Governance Committee. Mr. Fotheringham is a member of the Business Advisory Board of the University of Toronto – Mississauga's Li Koon Chun Finance Learning Centre.
