## MOC Eligibility S&P/TSX Global Gold and S&P/TSX Global Mining Index Constituents

In response to client demand, effective Friday September 21<sup>st</sup> 2007 all constituents of the S&P/TSX Global Gold Index and the S&P/TSX Global Mining Index that are TSX listed will be eligible for the Market on Close (MOC) facility. The MOC facility currently includes all constituents of the S&P/TSX Composite, as well as certain symbols that are MOC eligible based on participant demand and feedback.

In summary, TSX will automatically add or remove symbols from MOC based on any TSX listed constituent additions or removals from the following indices:

S&P/TSX Composite  
S&P/TSX Global Gold  
S&P/TSX Global Mining

As a result, the following symbols that are not part of the S&P/TSX Composite Index and are not already MOC eligible will become MOC eligible effective Friday September 21, 2007:
