TORONTO STOCK EXCHANGE

is Canada's senior equities market, providing issuers with a venue for raising capital and providing domestic and international investors with the opportunity to invest in and trade those issuers' securities.

TSX VENTURE EXCHANGE

is Canada's premier junior listings market, providing companies at the early stages of growth with the opportunity to raise capital and providing investors with the opportunity to invest in and trade those issuers' securities.

TSX ALPHA EXCHANGE

is an exchange that provides equities trading for TSX and TSXV listed securities. TSX Alpha Exchange offers a continuous limit order book. TSX Alpha Exchange offers additional execution options to the industry through differentiated features and pricing.

TSX TRUST

is a provider of corporate trust, securities transfer and registrar, and employee plan administration services for issuers.

TSX PRIVATE MARKETS

provides a voice-brokered service that offers enhanced access to capital for private and public issuers and exempt market liquidity for approved dealers and their accredited investors.

NGX

is a Canadian-based exchange through which customers can trade, clear and settle natural gas, crude oil and electricity contracts across North America.

THE CANADIAN DEPOSITORY FOR SECURITIES (CDS)

is Canada's national securities depository, clearing and settlement hub. CDS supports Canada's equity, fixed income and money markets and is accountable for the safe custody and movement of securities, the processing of post-trade transactions, and the collection and distribution of entitlements relating to securities deposited by participants.

MONTRÉAL EXCHANGE

is Canada's standardized financial derivatives exchange. Headquartered in Montréal, MX offers trading in interest rate, index and equity derivatives.

CANADIAN DERIVATIVES CLEARING CORPORATION (CDCC)

offers clearing and settlement services for all Montreal Exchange transactions and certain over-the-counter (OTC) derivatives, including fixed income repurchase and reverse repurchase agreement (REPO) transactions.

SHORCAN

is Canada's first inter-dealer broker (IDB), providing facilities for matching orders for Canadian federal, provincial, corporate and mortgage bonds and treasury bills and derivatives for anonymous or name-give-up buyers and sellers in the secondary market.

TMX DATALINX

our information services division, sells real time and historical data, data delivery services and other market information to a global customer base.

TMX INSIGHTS

delivers financial content, tools and applications, as well as analytics to drive better markets and investment decisions.

TMX ATRIUM

is a provider of low-latency network and infrastructure solutions for the global investment community.

AGRICLEAR

is a secure transactional platform to buy and sell cattle that offers efficiency and certainty.
