Notice-and-Access

The Canadian securities regulators have adopted rules which permit the use of notice-and-access for proxy solicitation instead of the traditional physical delivery of material. This new process provides the option to post meeting related materials including management information circulars as well as annual financial statements and management’s discussion and analysis, on a website in addition to SEDAR. Under notice-and-access, meeting related materials will be available for viewing for up to one year from the date of posting and a paper copy of the material can be requested at any time during this period.

Disclosure regarding each matter or group of matters to be voted on is in the Information Circular in the Section with the same title as each Resolution overleaf. You should review the Information Circular before voting.

TMX GROUP LIMITED has elected to utilize notice-and-access, Stratification Level to Registered shareholders only, and provide you with the following information:

If you wish to receive a paper copy of the Meeting materials including the Annual Report (which contains TMX Group’s 2015 annual audited financial statements and related management discussion and analysis), or have questions about notice-and-access, please call 1-866-393-4891. In order to receive a paper copy in time to vote before the meeting, your request should be received by April 27, 2016.
